

WHY RUTGERS?

- One of the nation's most diverse public research universities
- Millions awarded in graduate fellowships, grants, and assistantships
- Nationally recognized mentoring and professional development
- Over 300 research centers and institutes
- Rutgers University-New Brunswick Ranked #17 Public National Universities*

WHY RISE AT RUTGERS?

You will enjoy an exciting 10-week summer experience, engaged in cutting-edge research, and mentored by our renowned faculty.

- Biomedical and Molecular Sciences
- Physical and Mathematical Sciences
- Engineering
- Environmental and Biological Sciences
- Social and Behavioral Sciences
- Humanities
- Interdisciplinary Opportunities

Partnerships with multiple Rutgers summer programs and NSF REU sites.

"As a student from a smaller school, I was challenged to go beyond my comfort zone. RISE enhanced my confidence, and now I am applying to Rutgers for a PhD."

- Jael Estrada

RISE | Research
at Rutgers | Intensive
Summer
Experience
